**ASSIGNMENT**

WHEREAS, pursuant to that certain Agreement and Plan of Merger among American Medical Systems, Inc., a Delaware corporation ("Parent"), Oak Merger Corp., a Delaware corporation and a wholly-owned subsidiary of Parent ("Merger Subsidiary") and Ovion, Inc., a Delaware corporation ("Ovion, Inc."), and others, the Merger Subsidiary was merged with and into Ovion, Inc. on July 7, 2005 pursuant to which and by operation of law Ovion, Inc. became a wholly-owned subsidiary of Parent; and

WHEREAS, Ovion, Inc. owns a certain invention entitled OCCLUDING DEVICE AND METHOD OF USE for which a patent application for a Letters Patent of the United States has been made, which application may be identified by its priority document in the United States Patent Office by Serial No. 09/911,551, filed July 23, 2001; and

WHEREAS, AMS Research Corporation, a corporation organized and existing under the laws of the state of Delaware and a wholly-owned subsidiary of Parent, and having its principal offices at 10700 Bren Road West, Minnetonka, Minnesota 55343, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Ovion, Inc. has assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said AMS Research Corporation, its successors and assigns, its entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under the International Convention and Patent Cooperation Treaty and other international treaties, and Ovion, Inc. does hereby authorize and request said Letters Patent be issued to the above-mentioned assignee in accordance herewith.

Ovion, Inc. hereby authorizes the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the filing date and Serial Number of said application when ascertained.

Ovion, Inc. further authorizes said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States provisional application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, Ovion, Inc. does hereby covenant and agree with the said assignee, its successors and assigns, that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of any and all countries, whether domestic or foreign, on said invention, and in enforcing any rights, occurring

**ASSIGNMENT**

WHEREAS, We, Jeffrey P. Callister of 955 Cambridge Road, Redwood City, California 94061 and William S. Tremulis of 399 Mindanao, Redwood City, California 94065 have invented and own a certain invention entitled OCCLUDING DEVICE AND METHOD OF USE for which an application is about to be made for Letters Patent of the United States, said application having been executed on even date herewith, and which may be identified in the United States Patent Office by Serial No. 09/911,551 filed July 23, 2001; and

WHEREAS, Ovion, Inc., a corporation organized and existing under the laws of the state of Delaware, and having its principal offices at 1900 O'Farrell Street, Suite 210, San Mateo, California 94403, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration to us in hand paid by said Ovion, Inc., the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Ovion, Inc., its successors and assigns, our entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

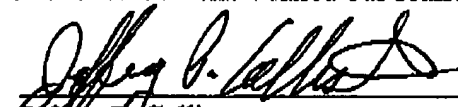

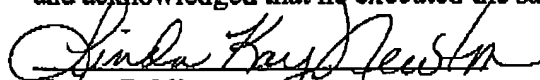

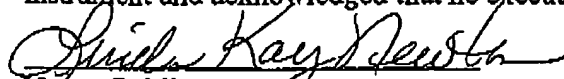

We hereby authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the filing date and Serial Number of said application when ascertained.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
